Council of
Australian
Governments

An agreement between

Project Agreement for the Management of the Former Rum Jungle Mine Site (Stage 2)

INTERGOVERNMENTAL AGREEMENT ON FEDERAL FINANCIAL RELATIONS

PRELIMINARIES

1. This Project Agreement (the Agreement) is created subject to the provisions of the Intergovernmental Agreement on Federal Financial Relations and should be read in conjunction with that Agreement and its Schedules, which provide information in relation to performance reporting and payment arrangements under the Intergovernmental Agreement on Federal Financial Relations.
2. This Agreement will support delivery of the Rum Jungle Mine Site Rehabilitation Project (Stage 2) at the former Rum Jungle site, Rum Jungle Creek South, Mt Burton and Mt Fitch sites.
3. Any rehabilitation of the former Rum Jungle Mine site funded by the Commonwealth of Australia (the Commonwealth) is considered to be capital works and is therefore subject to the Two Stage Capital Works Approval and Gateway Review Processes, both of which are undertaken by the Department of Finance and Deregulation. The Two Stage Capital Works Approval Process provides a methodology to develop scope and costs associated with capital works projects, reduce risk and increase cost certainty. The Gateway Review Process provides independent assurance that a project will be delivered in accordance with its stated objectives.
4. This Agreement constitutes the entire agreement for this project.
